

9 MAR 1965

MEMORANDUM FOR: Director of Security

SUBJECT : Pending Legislation, S. 1021

1. The reference was an attachment to the memorandum of 26 February 1965 requesting report and recommendations on referred legislative action pending in the Congress.
2. There is no Agency security interest in this Senate Bill, and no recommendations are made for any action concerning it.
3. While the Bill relates to the Chapter of the Federal Criminal Statutes on "Explosives and Combustibles," it merely would include pipelines within the statutory definition of "carriers." They are specifically excluded in the present statute.
